

The Beacon... From the Lighthouse on the Way

September 5, 2010

- Prayer -

Questions to ponder

1. Have you had the experience, that "it didn't work," while listening for an answer to your prayer? What did you find out might have been missing in the connection?
2. How do you think your relationship with God is progressing? What do you think you can do to enhance your relationship?
3. Can you think of anything you need to "let go" and give to God? Is it a grudge, resentment, or a wrong? Is there someone you need to forgive in order to make it right with God?

Do you think you truly have a personal relationship with God? How do you think you can tell? Dedication to God = Devotion + Dependence (it's 3-D).
